Door Styles

Our impressive range of door styles and finishes allow you to be truly creative with your bathroom. Choose a slab or handleless door for a modern feel, or choose a shaker door for a more traditional style.

Worktops

Choosing the right surfaces for your bathroom will affect not only the final look but also the ease of upkeep and maintenance.

Laminate worktops are the most cost effective option for a bathroom, whereas an acrylic surface will be harder wearing due to its solid construction.
